

GREATER WORKS WELLNESS

A Greater Impact in Wellness & Education

FAIS
Reference Labs

STRONGER TOGETHER.

BETTER CARE. ACCURATE RESULTS.

Greater Works Wellness (GWW) and FAIS Reference Labs have partnered to deliver a seamless collection-to-results experience you can trust.

ONE PARTNERSHIP. END-TO-END SOLUTION.

GREATER WORKS WELLNESS (GWW)

- Expert mobile specimen collection
- Concierge phlebotomy services
- Provider and patient support
- Reliable, compassionate, and convenient care

FAIS REFERENCE LABS

- National reference laboratory
- High-complexity testing
- Rapid, reliable, and defensible results
- Advanced technology & compliance

TOGETHER, WE DELIVER ACCURATE RESULTS, IMPROVE OUTCOMES, AND SUPPORT BETTER HEALTH.

FAIS LABORATORY CAPABILITIES

Comprehensive, scalable testing services across:

- Quantitative Toxicology (LC/MS/MS Confirmation)
- Infectious Disease & PCR / Molecular Testing
- General Chemistry & Routine Panels
- Serology & Hormonal Testing
- Custom Panel Development & Bundled Testing

Court-admissible, defensible results

High-complexity laboratory testing

Designed for clinical, legal, and occupational health use

TECHNOLOGY + LIS INTEGRATION

Providers receive access to FAIS' cloud-based Laboratory Information System (LIS), enabling:

- ✓ Secure electronic ordering
- ✓ Real-time result reporting
- ✓ Provider & patient portals
- ✓ EMR/EHR integration capabilities
- ✓ Multi-location scalability

Secure. Connected. Compliant.

TURNAROUND TIME & LOGISTICS

24-72 HOURS

Typical Turnaround Time

Specimen transport + logistics coordination

Nationwide support through FAIS Connect™ network

COMPLIANCE & ACCREDITATIONS

- ✓ CLIA-Certified (High Complexity)
- ✓ COLA-Accredited
- ✓ CAP Proficiency Testing Participant
- ✓ NLCP (SAMHSA) Certification - **IN PROGRESS**

NLCP certification represents one of the highest federal standards for forensic drug testing laboratories, requiring rigorous validation, proficiency testing, and regulatory oversight. FAIS is actively advancing through this process to support federally aligned and court-admissible testing programs.

PARTNERSHIP ADVANTAGE

- ✓ Seamless collection → testing → results workflow
- ✓ Increased provider efficiency & patient compliance
- ✓ Scalable for clinics, courts, employers, and health systems
- ✓ Reliable, fast, and defensible results
